Arpan Gupta(LinkedIn) | GeeksForGeeks(arpangupjby)

I am currently a Fifth Semester B.Tech.(CSE) student with a strong proficiency in Java and C++.

I am passionate about software development and aspire to become a software engineer in a reputable organization. I am eager to apply and further develop these abilities in a professional setting.

Education

Meerut Institute of Engineering and Technology, B.Tech. In CSE   September 2022 - July 2026
- GPA: 8.07 (to the fourth session)

Asha Modern School, Saharanpur, Intermediate   April 2021 - March 2022
- Percentage : 67.8

Asha Modern School, Saharanpur, High School   April 2019 - March 2020
- Percentage : 79.6

Projects

EKOTE   December 2024
- Developed a comprehensive system to manage gun inventory, maintenance schedules, and QR code-based gun tracking without relying on notifications.
- Using cutting-edge technology to enhance the management of gun inventory and streamline maintenance tracking processes.
